NOTICE: Separate permits are required for electrical, plumbing, and mechanical (HVAC). Work under this permit must commence within 180 days of permit issuance and once commenced, work may not be suspended for more than 60 days. Permittee must comply with all codes, ordinances and restrictive covenants applicable to the work. Issuance of this permit does not grant any authority to erect, modify or use any structure in violation of any code or ordinance. All required inspections, including a final inspection, must be requested by the Permittee. In consideration for connection to City utilities, Permittee agrees to pay all applicable utility fees and charges pursuant to City Ordinance. This permit creates no warranties with regard to construction or code compliance. The inspections under this permit are for the benefit of the public and not the Permittee and the inspections do not create a duty to the Permittee, the owner or to a subsequent purchaser with regard to quality of construction or code compliance.
